CPU List

Below is an alphabetical list of all CPU types that appear in the charts. Clicking on a specific processor name will take you to the chart it appears in and will highlight it for you.

Single CPU Systems *Last Updated: 4th of November 2016*

Notes:
[1] Price is obtained from our affiliates. '*' after the price denotes the last seen price for products that are no longer available.
[2] CPU Value is calculated by taking CPU Mark / Price.
[3] Single Thread Value is calculated by taking Single Thread CPU Mark / Price.
[4] Power Performance is calculated by taking CPU Mark / TDP.
[5] Test Date is the date of our first benchmark submission.
